

## **Jesmond Park Academy Virtual Open Evening**

*This year, due to the ongoing challenges and restrictions on gatherings resulting from Coronavirus, Jesmond Park Academy will be having a pre-prepared Year 6 virtual open event. This will include resources that parents will be able to access through the school website from Thursday 15<sup>th</sup> October onwards. We will be delivering prospectuses to our primary schools over the coming weeks to give out to Year 6 children in time for the resources going onto the school website. There is a news item for parents and carers on our school website with further information and any further updates will also appear there.*
