

Language of the Month

At Wingrove Primary School we have a number of children whose first language is not English, and we have decided to introduce a new page on our website called Language of the Month.

Each month we will introduce a new language that is spoken by children in our school. We warmly welcome any involvement from parents and families and encourage them to get involved, however big or small the contribution. We believe it will give children the opportunity to show respect for each other's languages and cultures and it will also give us all the opportunity to broaden our skills!

Below is some further information about Language of the Month:

We use the Newbury Park Primary School website to support the teaching of language of the month. Click on the link below to go to the site:
