Please look out for details of other themed lunch days throughout the year.

We have a set menu on themed lunch days - there will not be an alternative choice. Should your child be entitled to a free meal, and their dietary requirement prevent them from being served the food offered, please contact me to discuss.

Children who usually bring a packed lunch, can stay should they wish. Please bring **£2.00 dinner money, and put in the envelope provided at the school office, clearly marked with their name and class.**
