Dear Parents and Carers,

I am very concerned that, even during the first half term, we had a number of children who arrived late to school.

The doors open at 8.35am. Children have 20 minutes to get to their cloakroom, put packed lunches and PE bags away, and get to their desk, to be ready for morning registration at 8.55am.

If your child signs in late just one minute after the bell has gone, they can be 5 minutes late to class. Not only do they then disturb their teacher and their classmates, they quite often miss the most informative part of the lesson and find it difficult to catch up.

I know it's not easy to coax children out of bed on cold, dark mornings – please ensure they don't stay up too late, and set their alarm a little earlier.

Thank you for your continued support. Please come to see me if you think there is anything I can do to help.

Thank you to all parents who ensure their children arrive at school on time every day.
